

## Who we are

Hi, we're Dana, Aaron, Wendell and Alder Steege-Jackson. We live and work on Around the Table Farm, located on 8 acres on ancestral Suquamish land near Poulsbo, Washington.

Using draft horse and people power, we grow heirloom vegetables, fruits and flowers and raise chickens for eggs. We use organic practices and are committed to the long-term health of the environment, this land, and the community.

## What we believe

By cultivating heirloom varieties using all-natural practices, we hope to:

- Steward the land & the ecosystem in a way the original stewards, the Suquamish nation, would approve of;
- Produce delicious and nutritious food;
- encourage healthy, joyful communal meals, celebrating diversity;
- strengthen our local economy;
  - live a good life!

Community Supported  
Agriculture (CSA)

June 6 - December 12  
2023

## What is a CSA membership?

Community Supported Agriculture (CSA) membership involves an investment in the farm at the beginning of the season and a return on that investment through weekly produce boxes and more (see below).

## What do members get?

In addition to the opportunity to support the preservation of local farmland and the hard work of your farmers, you get...

\*weekly produce from June-mid-Dec.,

\*bulk pricing for preserving projects,

\*access to all our partner food producers in one place.

### Flower Share

Get a fresh, beautiful bouquet late June-mid Oct. Pictures on our website.

### Eggs: for members only

Our birds are pasture-raised and fed organic, local grain (soy and GMO free).

### Chimacum Valley Dairy Cheese

Get local cheese twice a month!

### Gaia's Harmony Farm Honey

get 16 or 48oz/mos. of local honey

### Bainbridge Vineyards Wine

sign up for the wine club on their website for delivery with your box

### Slow Boat Fish Co. Wild-caught Salmon

sign up on their website for fall delivery

## Which box is the right size?

You can choose a full share (feeds 2-5) or a small share (feeds 1-2).

Sample boxes from July

### Full Share

Heirloom tomatoes, broccolini, Walla Walla onions, new potatoes, carrots, kale, basil, cabbage, zucchini

### Small Share

Heirloom tomatoes, Walla Walla onions, broccolini, new potatoes, kale, zucchini

The variety of produce/fruit in the box will be different each week according to the season

## How much does it cost?

We believe that everyone should be able to enjoy fresh, nutritious vegetables, so we offer both box sizes on a **sliding scale**. EBT (and market match) and **payment plans** are available. We have several full **scholarships available**—contact us.

*You choose the amount you pay within the range based on your ability.*

## Price per season (showing sliding scale)
